1. Introduction

This Privacy Policy describes how **Imposter Challenge** (“we”, “our”, or “us”) handles user information.

We respect your privacy. This app is designed to provide a fun gaming experience without collecting personal data.

2. Information We Do Not Collect

We do **not collect, store, or share any personal information**, including but not limited to:

- Name
- Email address
- Phone number
- Location data
- User accounts or login information

The app works fully offline except for advertisements.

3. Advertisements (Google AdMob)

This app uses **Google AdMob** to display ads (banner and interstitial).

AdMob may automatically collect certain information to provide personalized or non-personalized ads, such as:

- Device information
- IP address
- Advertising ID

This data is collected **directly by Google**, not by us.

To learn more, please review:

Google Privacy Policy: <https://policies.google.com/privacy>

4. Children's Privacy

This app is **not specifically targeted toward children under the age of 13**.

We do not knowingly collect any personal data from children. However, ads served by Google AdMob may be shown to a general audience.

If you believe a child has provided personal data, please contact us and we will take appropriate action.

5. Data Storage

We do **not store any user data on our servers**.

All gameplay is local to your device.

6. Internet Usage

The app requires an internet connection **only to load advertisements**.

7. Third-Party Services

We do not use analytics or tracking tools such as Firebase.

The only third-party service used is:

- Google AdMob (for advertisements)
-

8. User Rights

Since we do not collect or store any personal data:

- There is no user data to access, modify, or delete
-

9. Changes to This Policy

We may update this Privacy Policy in the future.

Any changes will be reflected on this page with an updated “Effective Date.”
