1. Introduction

This Privacy Policy describes how Sector Zero: Bullet Heaven (“we”, “our”, or “us”) handles user information.

We respect your privacy. This game is designed to provide a fun gaming experience while minimizing data collection.

2. Information We Do Not Collect

We do not collect, store, or share personal information such as:

- Name
- Email address
- Phone number
- Location data
- User accounts or login information
- Contacts or personal files

Gameplay progress and settings are stored locally on your device.

3. Advertisements (Google AdMob)

This app may use Google AdMob to display advertisements, including but not limited to:

- Banner ads
- Interstitial ads
- Rewarded ads

AdMob may automatically collect certain information to provide personalized or non-personalized advertisements, such as:

- Device information
- IP address
- Advertising ID
- Diagnostic information

This information is collected directly by Google and is not controlled or stored by us.

Google Privacy Policy: <https://policies.google.com/privacy>

4. Rewarded Advertisements

The game may provide optional rewarded advertisements (for example: revive opportunities or gameplay rewards).

Watching these advertisements is entirely optional and not required to play the game.

5. Children's Privacy

This game is not specifically directed toward children under the age of 13.

We do not knowingly collect personal information from children. However, advertisements served through Google AdMob may be shown to a general audience.

If you believe a child has provided personal information, please contact us and appropriate action will be taken.

6. Data Storage

We do not store user data on our own servers.

The following information may be stored locally on your device:

- Coins/currency
- Upgrade progress
- Unlocked gadgets
- Game settings
- High scores
- Statistics

7. Internet Usage

The game may require an internet connection only for:

- Loading advertisements
- Rewarded advertisements
- Future online services (if added)

Most gameplay functionality remains available offline.

8. Third-Party Services

We do not use analytics or tracking services such as Firebase Analytics.

Third-party services currently used:

- Google AdMob (Advertisements)

Additional services may be added in future updates and this policy will be updated accordingly.

9. User Rights

Since we do not collect or store personal user information:

- There is no personal data to access
- There is no personal data to modify
- There is no personal data to delete

10. Changes to This Privacy Policy

We may update this Privacy Policy from time to time.

Any changes will be reflected on this page with an updated "Effective Date."
